- 2) Community Grant Budget for 2022 - \$5,000 - *post meeting correction \$2,500*
- 3) Some applications have been rejected as they do not fit the published criteria
- 4) Short discussion on the criteria point for USA P approved paddles. Some negative expression re 'woodies'. Question on approved or not - 'tabled' to next meeting. In the interim the published criteria remain in force.

d. Officiating - Al

- 1) Zoom based training sessions - yesterday (39 participants) and tomorrow
- 2) Al has taken the role as National Leader of Officiating. This may be a significant time consumer - Al pondered stepping aside of the PBC Head ref role. Al & Walter will discuss if, how, when etc - offline.

e. Facilities - Dave

Discussion re work with BC Recreation and Parks to develop a standard guide for pickleball siting, conditions etc. In previous discussions with BCP&R the noise subject had been broached to the end that PBC proposed hiring a consultant to provide on site measurement services and guidance as well as basic (benchmark) equipment noise level testing. BAP Acoustics, offices in both Port Moody and Victoria, have submitted a quote for \$18,000. BCR&P have been asked to fund this at 50%. They have nearly that much committed from their members already. We may revisit the scope (reduce) depending on other research we have done.

Moved / seconded by Dave / Al that PBC approve up to \$10,000 to conduct acoustic testing of pickleball courts in Victoria plus of paddles and balls at a location to be determined. The testing results to be shared with our member clubs and BCRPA

Most discussion actually occurred before the motion was presented.

Location - Oak Bay probably, with support of the VRPA. PBC board members in attendance - Dave, Walter and maybe Lucinda.

Timing - to be determined.

Carried - six yes - zero negative

f. Youth - Walter

In the after math of Debbie having to step back WK is deep into this one. Has and will again talk with Kirk and then bring the committee back together. Much learning has taken place over the last month!

8. Other Business

a. Volleyball/Cycling/Pickleball - Try Tri it set for Jun 18. This one is in jeopardy - only 4 participants to date. Coaching all in place if it goes ahead. WK to stay with this one.

b. Sport BC - application in, approved etc. Info sent out. At least one club is considering. This is open for the take-up based on Club interest. WK will 'remind' clubs periodically.

c. viaSport - need someone to continue to understand this relations fully- Lucinda has agreed to investigate etc. WK to provide her with background and other support.

d. Easter Seals - discussions are continuing. WK will try to get Catalin involved.

e. PBC Policies - a small committee in place, actively reviewing the existing PBC polices, the relevant PCO polices and more. Lucinda agreed to provide some support/leadership. WK to provide back info etc.

f. PBC website -WK has had discussions with David and Ken and visa versa. David is of the belief he can achieve our desired 'move' to an independent website (versus one under Ken's name). Some of these discussions lead to David being open to taking the majority of Ken's tasks on. Some we hope to simplify, change a couple and carry on for the short term with a website that pretty much looks a s it does now. THEN we will open for upgrades, updates, etc. WK will contact the other volunteers who have been looking in other directions to provide our

- website - asking them to stand down at this time.
- g. PBC Logo - is it time for a new or revised? Several voices in favour of the existing. Some could be open for a review. A contest would be in order if a review is to happen. BUT for now this topic is on hold!
 - h. PCO insurance coverage - WK and some clubs not happy with what appears to be a less than transparent sharing of what the coverages really are. Topic to be revisited again.
 - i. New PCO directors of note:
 - 1) Al Thomson was appointed by the PCO Board this week to an open 'general board' seat.
 - 2) Barry Montgomery was appointed as BC/Yukon Regional Director by PBC and Yukon Pickleball May 31, 2022
 - j. PBC strategic plan - we do not have one! Lucinda agreed to work on the =is general topic. WK will provide background including contacts in other jurisdictions that could be useful.

Other discussions after:

David - why do we have a website? What do we expect it to do or be? Points like this will drive the appearance as we move ahead

Dave - Nanaimo joint venture proposal - tennis, pickleball, badminton, table tennis - meg facility and mega bucks - active discussions

Next meeting - July 6, 6 pm PST Zoom

Motion to adjourn - Dave/David - carried - 7:35 pm

May Membership Report – Rod Williams

New Clubs operating this Month: Parksville (POPS), Sea to Sky Pickleball.

New Affiliates this month: Hollyburn Country Club, Picklebox (Cloverdale, though they have suspended operations due to a leasing issue).

There are now 73 BC clubs and affiliates launched and processing memberships through PCNS.

Salmo and Haida Gwaii contacted us in February and received the information package to organize. No word back yet.

A North Shuswap club has initiated contact at the end of May. No word on whether they will continue the process.

New Westminster, and Fraser Valley received information packages in April, and Saltspring Island in May and are all in various States of Readiness.

The following clubs are still not accessing the system, have not begun administrative duties and do not have a valid signed MoU with PBC. I have removed them from the Club List that is in the PCNS. This way no one can try find them in PCO and try and join.

-Saturna Pickleball Association

- Fernie Pickleball

-Registrations.

768 memberships processed since May 1. **567** are brand new PCO Members. Registration is slowing down a bit now that clubs are fully operational. Several clubs have stopped new registrations, and while that is their prerogative, some of them didn't shut down registration within the PCNS and folks are now looking for refunds after paying dues but not having an ability to play. I have spoken to the clubs who missed this step as I find them. I have processed 5 refunds in May.

PBC Membership

As of May 31st there were 10,019 Active PBC members. 3863 of these are new PCO/PBC members registered since September 30, 2021.

There are still over 5100 inactive memberships in PBC. A decrease of 201 from March. Some of these may be rejoining as the summer season progresses. I sent out an email yesterday announcing the milestone (maybe you saw it 6 or 7 times or maybe you didn't see it at all, the system glitched on the send process).

National PCNS News – I have received no new analytics information from PCO, but as of May 31 PCO announced they were approaching 33,000 members, so we account for over 30% of all registered members.
